

**ABBA SHAMPOOS**

**Complete 300ml / 1lt**

*For all hair types*

Complete's pH balanced (5.0) formula gently cleanses hair with a nourishing coconut-based formula. Fast lathering and quick rinsing for people on the go. Hair is ultra-manageable with renewed body and shine.

AROMATHERAPY PROPERTIES: peach, apple & bergamot balance extreme emotions & moods.

**Moisture Scentsation 300ml / 1lt**

*For dry or damaged hair*

Hydrotherapy for your hair. An invigorating peppermint shampoo that restores the hair's moisture balance as it gently cleanses dry, dehydrated hair.

Natural essence of yucca and geranium impart manageability and shine, whilst powerful humectants lock in moisture, eliminating frizzy, flyaway hair.

AROMATHERAPY PROPERTIES: stimulates the scalp and senses with a powerful blend of eucalyptus, peppermint and geranium.

**Crème Moist 300ml / 1lt**

*For chemically treated or damaged hair*

A luxurious botanical-rich formula that infuses hair with moisture and inner strength, Crème Moist keeps colour brighter for longer and the conditioning agents keep fine, fragile hair static-free and silky smooth.

Aromatherapy Properties: cherry bark, sweet almond and berry combine to create a sense of calm that relaxes the mind and destresses the body.

**Volumizing Shampoo 300ml**

*For fine hair*

Lifts hair to new heights with Abba's unique cationic cleansing system. Seaweed extract adds moisture whilst multiple proteins infuse strength, volume and natural body.

AROMATHERAPY PROPERTIES: grapefruit and orange citrus stimulate mental activity and energetic feelings.

**Molasses Purifier Shampoo 300ml / 1lt**

*For all hair types*

Hair that refuses to cooperate when styling and looks limp and dull even after cleansing could be suffering from product build up. Molasses Purifier uses special chelators, baking soda and molasses to put hard water minerals, chorline and other impurities in their place - down the drain.

AROMATHERAPY PROPERTIES: calming blend of chamomile will wash away stress and anxiety.

**ABBA CONDITIONERS AND TREATMENTS**

**TruMint 300ml / 1lt**

*For all hair types*

This lightweight detangler utilises three natural mint plants to deeply penetrate, instantly detangle and condition in one easy step. Creates body, shine and volume without weighing down the hair.

AROMATHERAPY PROPERTIES: cardamon, rosemary, corn mint and peppermint combine to energise the mind.

**Moisture Scentsation 300ml / 1lt**

*For dry or damaged hair*

Cures moisture-starved, sun-damaged or environmentally stressed hair by infusing the hair with essential moisture. Also detangles and volumises permed, tinted or bleached hair.

AROMATHERAPY PROPERTIES: a powerful combination of eucalyptus, peppermint and geranium stimulates the scalp and senses.

**Recoup Reconstructor**  
 266ml / 1lt  
*For chemically treated or damaged hair*

When hair has been at war with blowdryers, curling tongs or flattening irons, it needs to recoup its losses. The protein and botanical blend in Recoup corrects structural and environmental damage inflicted on each layer of the hair shaft, strengthening it from the inside out. A must for chemically treated or severely damaged hair.

AROMATHERAPY PROPERTIES: lavender, juniper, peppermint and rosemary to calm the senses.

**Thickening Conditioner** 300ml  
*For fine hair*

This conditioner actually increases the diameter of your hair adding fullness and natural volume without weight. Also detangles the hair, reduces static electricity, provides protection from heat styling and adds shine.

AROMATHERAPY PROPERTIES: grapefruit, orange and energising peppermint extracts stimulate the senses whilst conditioning agents build volume.

**Nourishing** 300ml / 1lt  
*For all hair types*

A leave-in moisturiser for hair and skin that brings back life to hair without leaving a greasy film or oily residue. Natural botanical conditioners and rich emollients add vitality and control to coarse, frizzy hair. Defines curls and stops flyaway frizz.

AROMATHERAPY PROPERTIES: cherry bark & passionflower restores balance to mental well-being.

**ABBA STYLING PRODUCTS**

**Sets** 300ml

Designed for use with curling tongs and heat styling implements, Sets maximises curls whilst minimising damage from thermal styling. Adds

fullness and shine.

AROMATHERAPY PROPERTIES: wildflowers (olibanum, myrrh, clove and jasmine) balance the senses.

**Gel-Lotion** 300ml

Provides the hold of a gel and the versatility of a styling lotion. Thickens and volumises hair whilst controlling frizz. Alcohol free.

AROMATHERAPY PROPERTIES: tropical melon and bergamot, a beautiful combination that balances emotions and moods.

**Straightening Balm** 150ml

Eliminates frizz, whilst providing humidity resistance and thermal protection to deliver sensationally straight, smooth and glossy hair.

AROMATHERAPY PROPERTIES: French lavender, Mexican lime, rosemary and ylang ylang promotes harmony and balance.

**Shaping Balm** 150ml

A design cream for every style from curl definition to spiky pieces. Contains natural marine extracts to shield hair from heat styling and a complex of essential fatty acids and vitamins to condition the hair and moisturise the scalp.

AROMATHERAPY PROPERTIES: the calming extracts of bergamot, chamomile and spearmint ensure a cool temperament to match the eco-chic style.

**Molding Paste** 50gm

This lightweight, semi gloss molding paste builds volume while providing long lasting hold. Use to mould, shape and separate hair.

AROMATHERAPY PROPERTIES: lavender, nutmeg, thyme & cardamom provide an energising aroma.

**Forming Polish** 50gm

Creates flexible hold with high gloss shine while defining and separating hair. Can be used on wet or dry hair.

AROMATHERAPY PROPERTIES: the energising essence of lemon, lime, orange and tagette will stimulate the mind and get the senses buzzing.

**Gelsential 300ml**

A non-resin gel that's guaranteed not to flake with natural mica crystals for added shine. Gelsential's flexible hold is humidity-resistant. Alcohol free. Excellent for scrunch drying curly hair.

AROMATHERAPY PROPERTIES: aromatic power of lavender, cinnamon, juniper and bois de rose calms the senses, enhancing the feeling of well being.

**Botanical Finish 300ml**

A maximum hold, fast drying finishing spray. Creates humidity-resistant volume, texture and lift whilst adding condition and shine. Sun screening agents protect the hair from moisture loss & colour fade.

AROMATHERAPY PROPERTIES: tuberose exotique (orange, neroli, patchouli and galbanum) infuses a sense of calm and botanical finish that's final.

**Mica 125ml**

Mica combines the conditioning emollients of hydrolysed wheat proteins with the natural shine of mica crystals. This non-greasy spray smooths the coarsest of hair, adding gloss and shine. Rinses out instantly.

AROMATHERAPY PROPERTIES: juniper and lavender radiate a sense of calm.

**Botz 125ml**

Begin your styling process with Botz. It protects against environmental pollutants, colour fade and sun damage. Botz delivers light to medium hold whilst promoting flexibility and natural movement. Use it wet or dry to build volume on fine hair and control unruly hair.

AROMATHERAPY PROPERTIES: balances your mood with bergamot, chamomile, rosemary and mint.

**Instant Recall 300ml**

Instant Recall is a versatile organic spray gel that locks in colour and activates curls. A low pH formula seals the cuticle shut to minimise colour fade and enhance shine. As a styling aid, Instant Recall adds light support to any style, protection from heat styling and shields against the sun damage and environmental pollution.

AROMATHERAPY PROPERTIES: ABBA's unique blend of Japanese Flowers (orange, jasmine, rose and oakmoss) regulate extreme emotions.

**Weightless Gel 300ml**

Weightless gel works to thicken each hair strand whilst holding your desired hairstyle all day.

AROMATHERAPY PROPERTIES: grapefruit, orange, & peppermint balances emotions.

**Exacting Spray 300ml**

A hairspray that does exactly what it is meant to do - style and finish in one easy step. Exacting is a humidity resistant spray that protects while the botanicals extracts enhance, condition and add shine. To change styles simply reactivate with heat or water. Can be used on both wet or dry hair for super styling results.

AROMATHERAPY PROPERTIES: uses tropical melon, bergamont to calm and soothe the senses.

**Botanical High Finishing Spray 300ml**

Botanical High Finishing Spray won't weigh down fine or thin hair even in humid climates. It delivers a fast drying, long lasting hold with flexibility, texture and shine.

AROMATHERAPY PROPERTIES: grapefruit, orange, armoise, rosemary, thyme and peppermint energise the mind.

**Pomade 50ml**

Pomade texturises, defines and smoothes hair. Also, contains mica crystals for extra shine.

AROMATHERAPY PROPERTIES: rose, jasmine and citrus balances emotions.

### ABBA BODY PRODUCTS

#### Shower Creme 150ml

Contains lavender to restore lost moisture, geranium to soothe dryness and ylang ylang for balance. Kind to the skin, Pureskin Shower Crème lathers into a rich crème that gently cleanses away impurities.

#### Body Polish 150ml

Contains finely crushed walnut shells to gently exfoliate and revitalise the skin, ginger to smooth dryness and peppermint to energise. Pureskin's Body Polish hydrates as it buffs away dead surface cells.

#### Body Hydrator 150ml

Penetrates deeply into clean, exfoliated skin to soften, smooth and rehydrate. Shea butter infuses moisture, fennel soothes tightness caused by dehydration and jojoba adds softness. Pureskin's Body Hydrator protects freshly energised skin and the fragrance lingers throughout the day.
