### COLOR SAVE

*Colour Save is a complete range of professional haircare products designed to protect, enhance and prolong the vibrancy of colour treated hair. The products are formulated to minimise colour fading and prevent scalp irritations caused by chemical residue. Each product is designed to balance the hair's natural pH level.*

*There are four retail products in the Color Save range:*

#### pH Balancer (2.7 - 3.2)

The perfect after colour conditioner. pH Balancer restores the hair's pH level and neutralises developer action in just one minute. It has a strong rehydrating action, moisturising both the hair and scalp. Also protects the capillary cuticle, improves flexibility, body and shine.

#### Color Vitamin Shampoo (with Vitamin E)

Rich in bran protein and Vitamin E to moisturise, reconstruct and protect the hair, Color Vitamin Shampoo leaves the hair in perfect condition and easy to manage. The advanced formula of this shampoo maintains a perfect pH balance. It gently cleanses to reveal soft, bright and healthy hair.

#### Silver Shampoo

Conditioning shampoo with colour pigments to tone yellow tones in white, bleached, blonde or copper hair. Pigment does not accumulate in the hair allowing Silver Shampoo to be used on a daily basis. Silver Shampoo's non-alkaline formula has a natural conditioning action on bleached, streaked or highlighted hair.

#### Life Ampule (with Vitamin E)

Specifically formulated to provide long term protection for coloured, treated and bleached hair. Ensures longer lasting highlights, more vibrant colour services from semis to tints.

Rich in ultra-conditioning polymers and Vitamin E, Life adds volume, gloss, condition and protection from ultra violet (UV) rays.

### COLOR BALM

*Conditioning Color Balm represents a superior conditioning treatment that nourishes and protects the hair whilst refreshing and enhancing your colour.*

Benefits of Conditioning Color Balm:

- Formula protects and moisturises the hair using bran extract.
- Special colouring pigments brighten colour, give shine and enhance highlights in colour treated hair.
- When applied to natural hair, Conditioning Color Balm enhances natural highlights whilst improving the hair's condition and natural shine.
- Conditioning Color Balm protects coloured and natural hair from the effects of UV rays.
- Perfect for silver hair. Conditioning Color Balm adds a beautiful shine to grey and white hair.

There are six colours in the range; Beige Golden, Gold Copper, Red Copper, Fired Red, Violet Red and Silver. Available in a 250ml bottle.
